## From the Editors

In 2001, the buzz began: Eagle Rock was LA's next happening neighborhood. The clue? A brand-new coffeehouse, complete with charmingly weird name and logo. But while Eagle Rock may not yet give Silverlake a run for its money, the coffee at Swork remains hard to beat. Occidental College students and faculty mingle with long-time locals and new neighborhood faces, savoring Swork's rich brews (such as the evocatively named Truckdriver, Sworkmaster and Mellow-D) and decadent blended mochas and lattes along with freshly baked croissants, cookies and cakes. While you're there, you can check your e-mail, let the rugrats amuse themselves in the kids corner (toys and treats for young hipsters-in-training), and even buy Swork underwear, t-shirts and coffee mugs. -- Sara Cody (Photo: Courtesy of Swork)
